

ALERT: FRAUDULENT CLUB REGENT CASINO APP

January 8, 2024

WINNIPEG - Late last week, Manitoba Liquor & Lotteries (MBLL) was made aware of fraudulent posts on Facebook purporting to be an online gaming app for Club Regent Casino. **Please be aware that this a scam.**

Club Regent Casino (as well as McPhillips Station Casino) does not offer a mobile app or online gaming. Do not click on any of the links provided in these ads or provide any personal or credit card information.

We have been diligent in reporting these ads to Facebook (Meta) and posting warnings but are aware that these ads continue to circulate. We encourage Manitobans who encounter the fraudulent posts to also block and report.

In Manitoba, the only legal, safe, and secure online gaming site is PlayNow. Operated by Manitoba Liquor & Lotteries, all revenue generated through PlayNow stays within the province to support many community and charitable programs.
